

Montgomery Place

FROM 
Deborah E. Hart, CEO and President

DATE April 11, 2020

SUBJ MONTGOMERY PLACE GRATEFUL FOR DEDICATED STAFF
DURING THIS TIME OF COVID-19...AND ALWAYS

I extend a huge thank you to Paul Zappoli and all of the staff who worked today, giving me a day of rest. I've spent the day binge watching some television, reading about the world of coronavirus, cleaning my apartment, cooking lunch and dinner (for the first time in a month) and napping. I now realize how much I needed a day of respite.

I've heard from the team that staff members are stepping up to give our COVID-19-positive patients the best care. Please join me in extending our shared thanks to our healthcare professionals as they put themselves into a higher risk situation while they honor their profession.

Reading several articles today, I'm seeing how organizations around the world are conducting research, exploring treatments, testing for antibodies in recovered patients and developing vaccines. It is fascinating to see how the World Health Organization is working with so many countries to compile and share data and work toward a solution. I'll keep reading and will share some of the salient points with you in the coming days.

For now, I'm going to continue resting. May you have a blessed Easter.

No matter where I may be, I'm always available if you'd like to talk. Just call my mobile phone number, 773-617-1317, at any time.

Counting our blessings, gives us strength.
