SUBJ MONTGOMERY PLACE EXPLORES IDEAS TO MOVE FORWARD
 IN A NEW WORLD DURING THIS TIME OF COVID-19

Tonight I am writing a very brief note. I spent my day away from the office, enjoying some warm Central Illinois weather, and giving myself a few hours of much needed rest.

I will be back on Sunday to talk with residents and staff. And I am interested to hear their ideas on topics including testing, relaxing COVID-19 precautions and procedures, and moving forward in a new world with pandemic potential.

Here is Saturday’s progress report about how Montgomery Place is faring so far.
