SUBJ MONTGOMERY PLACE REFLECTS ON TONIGHT'S EVENTS DURING
THIS TIME OF COVID-19

Dear friends and family,

Tonight, the focus of the City of Chicago and many other cities is not on COVID-19. But the reason for the focus change is not a good one.

Let us hope and pray that our city can heal from the results of these protests. Maybe someday I'll understand the logic behind how violence, looting and property damage are helpful toward protests.

Montgomery Place does not seem to be at risk for any issues tonight. Security staff are on alert and we asked residents to remain in the building for the night, following the curfew orders of the Mayor.

Tomorrow, we'll get back to strategies related to recovery from COVID-19. Tonight, let's just be safe.

Don't hesitate to reach out if I can answer any questions or be of further assistance. Call my mobile phone number, 773-617-1317, at any time.

Working together, gives us hope.
